Option 1: Take Boonville north from Grand, or south from Chestnut Expressway to Lot 47 (just south of the Jordan Valley Innovation Center building). Enter building through the door on the west side and walk straight ahead down the corridor to the front entrance on the east side of the building where the windows are. Training rooms will be to the right of the front doors - PCTR 1000 or 1001.

Option 2: Take Jefferson Avenue south from Chestnut Expressway and enter into visitor Lot 47A off of Phelps. Enter through the main entrance on the front of the **Robert W. Plaster Center for Free Enterprise and Business Development**. Seminars will be held in the training rooms immediately to the left of the front doors - PCTR 1000 or 1001.

The MDI offices and training rooms are on the first floor on the east side of the building.
